You are far (See additional lyrics)
when I could have been your star
you listened to people, who scared you to death and from my heart,
strange that you were strong enough to even make a start, but you'll
never find peace of mind till you listen to your heart.

You can never change the way they feel,

better let them do just what they will, for they will
if you let them steal your heart from you. People will always make a lover feel a fool, but you knew I loved you we could have shown them all, we
Sure have seen love through,

Fooled me with the tears in your eyes,

Covered me with kisses and

Lies, so good-bye eye eye eye eye,

But please don't take my

Heart.

VERSE 2:
You are far
I'm never gonna be your star
I'll pick up the pieces and mend my heart
Maybe I'll be strong enough
I don't know where to start
But I'll never find peace of mind
While I listen to my heart,
People you can never change the way they feel
Better let them do just what they will
For they will
If you let them steal your heart.
People
Will always make a lover feel a fool
But you knew I loved you
We could have shown you all la la la la la la.

VERSE 3:
You are far
When I could have been your star
You listened to people
Who scared you to death and from my heart
Strange that I was wrong enough
To think you'd love me too
Guess you were kissing a fool
You must have been kissing a fool.
