One mile to every inch of Your skin like porcelain
dy lips and Your bubble gum tongue
Cause if you want love We'll make it Swimming a deep sea Of blan-
kets Take all your big plans And break 'em This is bound to be a while

Your body is a wonder-land

Your body is a wonder-I'll use my hands

Your body is a wonder-land
Something about the way the hair falls in your face
I love the shape you take when crawling in the pillow-case
You tell me where to go and though I might need to find it I'll never let your head hit the bed
Without my hand behind it if you want
Your body is a wonderland

Your body is a wonder (I'll use my hands)
