Come up to meet you, tell you I'm sorry,
you don't know how lovely you are
I had to find you, tell you I need you,
tell you I'll set you apart

Tell me your secrets and ask me your questions, oh let's go back
to the start
Running in circles, combing tails,
heads on a science a-part.
Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
Nobody ever said
it would be this hard

Oh, take me back to the start

I was just guessing, numbers and figures, pulling the puzzle apart

Questions of Science, science and...
Press, do not speak as loud as my heart Don't tell me you love
me, come back and hunt me, oh what a rush to the start
Running in circles, chasing our tails coming back
as we are repeat 'til fades
